

Connecting with auto industry professionals

There was a lot to learn at our latest webinar which took place on 12 October: Tim Kinsey shared information about Easy Systems; Eben Enslin and Bruce Whiting from Novensys shared insights around teamwork and improving performance; Timothy Chowles from Westvaal shared his successes on selling VAPS and Monique Ferreira taught us everything we need to know about Signio Signing Rights.

But that wasn't all! Ian Adendorff shared the results of the Lightstone Customer Satisfaction Survey where **three out of four customers rated us 10 out of 10! and last but not least, we announced the Lightstone F&I Star Reacher Awards Quarter 2 winners**

If you missed the webinar, **you can watch the recording here.**

Lightstone Auto Connect is a series of industry-led, information-driven webinars, designed to meet the specific needs of F&I Managers and auto industry professionals.

Each webinar connects attendees with the latest auto insights, Lightstone product updates and innovations, and tips and tools to assist auto industry professionals to take their business to the next level.
